8

We hold these truths to be self-evident; self-evident.

13

We hold these truths to be self-evident, self-evident. All men are created

18

e-equal, And given certain un-de-ni-a-ble rights: Life, Li-ber-ty, and

25

Hap-pi-ness. It is the du-ty of all gov-ern-ment to pro-TECT these rights.

30

And when it hap-pens that a-ny- gov-ern-ment treads on these rights,

34

Then it is our du-ty to change it And make a gov-ern-ment that will pro-TECT our rights,

39

8

And bring safe-ty and hap-pi-ness. In sup-port of this de-cla-ration,

53

With firm faith in Pro-vi-dence we pledge: Our lives, for-tunes, and hon-or.

60

We hold these truths to be self-evident, self-evident.

64

We hold these truths to be self-evident, self-evident.
